Request for Recreational Use or Special Use on DNR Lands

Application Procedures

1. Applications for DNR Property Use must be received by the appropriate DNR Office at least 30 days prior to date(s) requested. (see location information below)
2. All applications will be evaluated on the basis of SCDNR Recreational Use Policy 203.04.
3. Applications will be approved only when such activity is deemed appropriate and compatible in accordance with this policy.

Special Conditions (additional conditions may be listed on the Permit)

1. Permitted activities must conform to all DNR regulations.
2. Tours must not interfere with other legitimate uses of the property.
3. All visits must be scheduled at least 24 hours in advance.
4. The permit holder shall keep a copy of the permit in his/her possession while on DNR managed property.
5. The designated permit holder is responsible for all activities of individuals operating under the permit.
6. The permit is not transferable or assignable to any other person.
7. Failure to comply with the conditions listed above or additional conditions on the permit may result in revocation of the permit.
8. The permit is valid when signed by all parties.
